

GOING TO THE 2016 I.K.F. GRAND NATIONALS?

You will be required to participate in three (3) I.K.F. Regional races, since the previous year's Grand National, in order to be eligible to participate in the current year's Grand National. Not three classes at one race.

For the Sprint, Speedway, Speedway Pavement, and Shifter Grand Nationals, you may combine your three (3) participation credits (punches) from any of the aforementioned divisions as long as you have three (3).

If there are fewer than three (3) I.K.F. Regional races in your division within 200 miles of your official residence, or if there are other extenuating circumstances, the competitor may petition the I.K.F. Board for a Grand National waiver. The waiver should be postmarked no later than 30 days prior to the start of the event. Any waiver submitted after the deadline may be denied. Applicant must be a current member in good standing to apply for a Grand National waiver. The waiver request

is to be submitted to the I.K.F. office. A \$200 processing fee will be charged for a Grand National event waiver. This fee must be submitted along with the petition for a waiver. The \$200 fee will be refunded if the waiver is denied. A separate fee is not required for each Grand National. *List all Grand National events for which you are requesting a waiver.*

The I.K.F. Committee Chairman will grant waivers on the basis of 200 miles.

The Board will review and vote on all other waivers. Those applicants must have verifiable racing experience to apply for a waiver

The I.K.F. Office will provide each Grand National host club/promoter with a list of members eligible to compete at each Grand National as well as a waiver list. If an entrant is not on either list the entrant is not eligible to participate in that Grand National event.
