

# **PRD 125CC CONTROLLED TAG RULES (2015)**

## **OIL SEALS, BEARINGS & GASKETS: Addendum 1**

Angular contact bearings (tapered roller type) are not allowed.

## **ELECTRICAL SYSTEM/BATTERY: Addendum 2**

After market connectors can be used to repair the wiring harness.

Manufacturer/Importer can modify the electrical system to ensure electrical system integrity as needed without notice.

## **REED/REED CAGE: Addendum 3**

Must remain unmodified. Branded Reeds “PRD-USA.COM” as shown in the PDF are required. Reeds must measure .011” +/- .001”. The rubber coating on the reed cage may be surfaced to flat.
